

# HALF MOON BAY PRESENTS....

Week of April 26, 2021

Dear Half Moon Bay students and their families,  
We hope you are all staying safe with your bubble.

We hosted our first live assembly at the MOON and got a chance to visit Mr. Harry's beehive in Merrickville. Click on the link below to open our virtual Earth Day assembly: [Earth Day from the MOON](#).

**Description** Here on the Moon we truly care about our environment. You may have noticed that many of our trees in the schoolyard need some help. We are hoping to purchase protective barriers for our trees to give them a better chance to grow and benefit the community. Any donations are greatly appreciated.

An email will head to your inbox this evening inviting you to donate. It costs about \$200 per tree for protection!

We had some technical difficulties which we will work through before our next assembly. A reminder to students (and please help us parents!) to keep all mics unmuted. A handful students are unmuted their microphones and interrupting the meet. Please remind them of google meet etiquette. We are sorry that some students and staff were unable to join the meet, and our amazing librarian has recreated the assembly for you! [Earth Day from the MOON.](#)
