

Our students have been participating in Kindness Challenges this month. Hopefully, your children have been making their beds, unloading the dishwasher, made a card, offered you a cup of tea, looked after nature to name a few of the challenges this month.

Week of February 8, 2021

Dear Half Moon Bay students and their families,

Every February is recognized as [Black History Month](#) in Canada. It's a time to celebrate Black culture and history and to applaud the achievements and significant contributions Black Canadians have made to build Canada and to make this country the diverse, welcoming and the strong nation it is today. Every February, Canadians are invited to participate in learning opportunities, festivities, and events that honour the legacy of Black Canadians, past and present.

We look forward to sharing with our community our students learning about Black History month over the next few weekly messages.

Half Moon Bay Public School will be celebrating Valentine's Day with a game of virtual Bingo on Thursday, February 11th. We are asking our students to consider donating money to the Education Foundation for their BINGO card. A donation is not required to play but all donations will help support students in need in our community. An email will be in your inboxes inviting you to donate to the Education Foundation via School Cash on-line. Here is a video of the work of the Education Foundation [LINK HERE](#).

We recognize that the pandemic has been difficult on many of our families. Some of our families are struggling to put food on the table. We can support you. Contact your child's homeroom teacher/school office confidentially, and we will get you support. Thank you to Woodvale Church community who donated grocery store gift cards to support your family

Welcome to Kindergarten at Half Moon Bay Public School! We will soon be sharing a link with you to our Kindergarten Information Night on Thursday, February 11th at 5:30pm. In the meantime if you have any questions that you would like addressed during this session, please use the questionnaire link below:

100% of happiness to have your children back in school. We love our school community!

99% of our borrowed Chromebooks were returned to school last week! Thank you!

93% of our parents are using our drop off in the morning and pick up in the afternoon correctly! When in doubt, don't leave your car when dropping off or picking up.
