MESSAGE FROM THE MOON

Week of January 11, 2021

Dear Half Moon Bay students and their families,

We know the rapid rise of COVID-19 in Ontario has led to schools to continue to be closed until January 25, 2021. Students, staff and our community are disappointed not to be returning to school tomorrow and we are here to support you! Please let the office staff know if you still require technology to support your child's online learning.

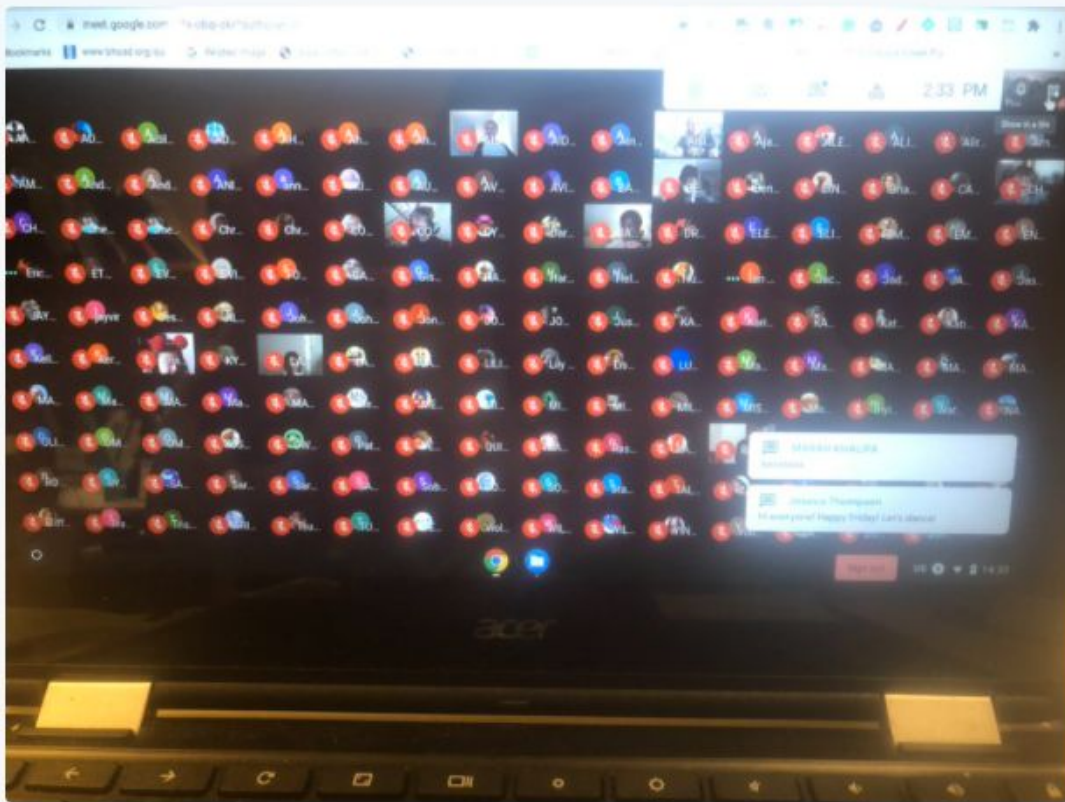

Here are some tips Mme Joanne shared with her students and their families this week:

- Establish a routine (wake up time, getting dressed, meals, earlier bedtime)
- Set up a workspace (computer, learning packages, pencil, colouring)
- Incorporate daily fresh air (go for a walk, play in the snow)
- Be kind to yourself and your kids (we're all doing our best)

Thank you to the 230 students who showed on Friday afternoon for the HMB Dance Party! We really appreciate having an opportunity to come together as a community. Stay tuned for our next community event!
