

Week of May 3, 2021

Dear Half Moon Bay students and their families,

This week Education Week in Ontario and the theme is **#StrongerTogether**. This past year has definitely reinforced our understanding of how important public education is for students, for families and for staff. Together, we have navigated so many transitions and worked together to support student learning and well-being.

#StrongerTogether The Half Moon Bay community donated almost enough pizza to support 20 families. Receiving families are VERY GRATEFUL for the generosity shown to them during this difficult time. Thank you for your generosity and care of our community and thank you to Boston Pizza for delivering free of charge to our families. A huge shout out to Jessica at Boston Pizza who is delivering pizzas to our families right now. You are the best, Jess!

#StrongerTogether Our staff have contributed to a memorial garden for the lovely Jackie Nutall, our OA who passed away. With covid restrictions, we may have to postpone the celebration planned in Jackie's honour. We look forward to celebrating the life of our colleague and friend together in the future. We will share the garden with our students and you when it is completed.

#StrongerTogether Our community grows everyday! There will be another Half Moon Bay school built in the next year. We would LOVE your input on the grade structure of this school! The OCDSB wants to hear your thoughts on plans for the New Half Moon Bay Elementary School at Kilbirnie Dr & River Mist Rd, with a tentative opening in Sept 2022.
